

Empowering the Perki Community Through Unity and Service

A Journey of Dedication by Chandrabhan Gopalrao Samritwar

I am **Chandrabhan Gopalrao Samritwar**, a proud native of **Savargaon, Bhandara District**, now residing in **Mohan Nagar, Nagpur**. My association with the **Perki Samaj Yuvak Sanghatana** began in **1992**, marking the start of my lifelong commitment to community development and social service.

The Early Years: Building a Foundation for Youth Leadership

In the early 1990s, I joined the **Perki Samaj Yuvak Sanghatana**, where **Mr. Avinash Dorshetwar** served as President and **Mr. Ramesh Ankatwar** as Vice President. I had the privilege of serving as the **Secretary**.

During this period, we organized impactful community programs such as:

- **Educational Excellence Felicitation Ceremonies** to honor meritorious students.
- **Bride-Groom Introduction Meets** to strengthen social connections within the community.

These initiatives not only fostered unity but also inspired many young members to actively participate in social upliftment.

Expanding Horizons: The Perki Samaj Bachat Yojana

Today, I am serving as an **office bearer of the Perki Samaj Bachat Yojana, Nagpur**. Under my leadership, the organization continues to expand its operations and impact.

Through this initiative, we aim to create a **financially strong and self-reliant Perki community**, encouraging savings, cooperation, and mutual growth. My vision is clear — to transform collective effort into community progress.

Commitment Beyond Boundaries: Social Welfare and Development

Alongside the savings initiative, we are actively engaged in various social welfare projects through the **Perki Samaj Sevabhavi Sanghatana**. These efforts include programs focused on **education, community welfare, and empowerment**, ensuring that every section of our community benefits from sustainable development.

A Vision for a Progressive Future

My lifelong commitment remains rooted in one belief — **progress comes through unity, service, and determination**. I continue to dedicate my time and energy toward strengthening the Perki community and creating opportunities that lead us all toward a brighter, more inclusive future.
